ABOUT ME

I put my faith in Jesus at the age of 16, and with the encouragement of my youth pastor I began leading worship for my youth group. Over time the Lord began to reveal His calling on my life to shepherd His people by leading them in worship. I began serving as a worship leader in 2001 in my college group, and through this I met my wife Michele. We began serving our Lord together and were married in 2003. We have been married for 16 years and have been blessed with our four children, Moriah, Blake, Caleb, and Gavin.

We are what some call a 'worship family' as our Lord has blessed each of our children with musical ability and a heart for worship. It has been our greatest joy to witness our children grow spiritually and musically, and it is an amazing blessing to serve our Lord with them in ministry.
