MINISTRY EXPERIENCE

Hallock Family Ministries & HFM Conservatory
Founder and Director
109 Walker Road - Farmington, MO 63640

2005 - Present

- Hallock Family Ministries is an outward manifestation of a vision that God has given my wife, Lynette and me. We have been instrumental in helping churches catch a vision of “what could be” when they let the Lord lead and use the skills and gifts that their local body has. We have provided special nights of worship, Christmas, Easter and non seasonal musical/worshipful events for many churches.
- We also provide consulting services for churches and non profit organizations in various areas
 - Education and Discipleship areas: discipleship, mentoring, family ministries, marriage strengthening and support, and men’s and women’s ministries
 - Worship and Music areas: the singing church, praise team and band training (from getting started to strengthening and growing an already developed team)
 - Multi-media areas: tutoring with Planning Center Online, Song Show Plus, Powerpoint and ProPresenter; developing and presenting a media filled worship service; consulting on potential equipment needs
 - Administration areas: office setup, computer software, printed and digital communications and overall marketing aspects of the ministry
 - Job readiness skills, resume building and interview preparation/training
- The conservatory provides private instruction in areas of piano, voice, music theory as well as computer basics for senior adults.
