

Jared Green

3336 Wesley Rd, Valdosta, Ga 31605

Phone: 229-412-3468; E-Mail: jgreen21@gmail.com

Experience

First Baptist Church, Valdosta Ga.

April 2014 - June 2019

- As student pastor, I worked to establish the vision for the student ministry that worked hand in hand with the overall vision of the church; planned and implemented Summer Camps, Winter retreats, Disciple Now events, community worship events, various outings, summer theme events, and theme nights; staffed a Sunday School roster of teachers and small group leaders, implemented curriculum for Sunday mornings, and coordinated a breakfast schedule; planned weekly worship services on Sunday night, staffed the service areas (musicians, singers, production workers, greeters, entertainment, small group leaders), planned message series, and handled primary teaching responsibilities; planned weekly discipleship small group events; and met with a small group of guys.
- As the worship pastor for the contemporary service, I oversaw the praise team; planned weekly worship services that coordinated with the pastor's sermon series; coordinated schedules for 20+ team members (musicians, singers, production team members, welcome team members, other staff); organized weekly practice times for the praise team; oversaw purchasing of new equipment, maintenance of existing equipment, and ensuring that team members stayed up to speed on training; created video, picture and print media for the service, including producing baptism videos for members' families as keepsakes.

Dublin Bible Church

May 2010 - April 2014

- As student pastor, I helped develop the overall mission of the student ministry; instituted Sunday night worship experience, and staffed it with adult and student volunteers in worship, entertainment, and small groups, and handled the primary teaching; planned Summer Camps, Disciple Now events, community worship events, summer outings, parties etc; planned weekly discipleship small groups with students, and met with a guys small group weekly
- As worship pastor, I was responsible for establishing the mission for the band; for helping set the overall thrust for the weekly worship services; selecting songs to work in tandem with the message; conducting weekly practice sessions with the band; creating stage set designs to work with the message series; coordinating schedules for the 13 team members who served on Sundays; handling all of the print, video, and image media for the church.
