As a worship pastor, I love, and I value relationships with my teams. My vision is to create an atmosphere with **B.E.A.T.**

Beauty, Excellence, Authenticity, and Transparency.

I am passionate about pouring into and developing people. I thrive off of creating dynamic teams. I am a creator of atmosphere. I am helping to remove barriers and distractions for the church to enter into God's presence. Passion trumps being polished. I Love bringing value to the teams and encouraging them to grow in their spiritual life, family life, personal life, and skills. I have the heart to raise more leaders and to reach the next generation.

Professional Experience

Worship Director | New Life Christian Center | Turlock, CA | Januray 2018 – Present

As the Worship Director, my primary roles are. Help launch the first offsite campus. Network, recruit and develop a: Music team, light team, and tech team for the campus. Revamp social media for both campuses. Run groups for more community awareness of satellite campuses.

- Helped to launch first satellite campus
- Had portable cabinets built for campus gear
- Lead worship for: Main weekends, Students, Children and Young adults and Celebrate Recovery.
- Pastor, shepherd and mentor teams
- Introduce clicks and tracks to musicians
- Schedule monthly: music, tech, light and sound teams
- Develop, train and equip other people within teams
- Professional management skills
- Over-see: music, computer, sound and light teams
- Create and run social media for: Facebook and Instagram for both campuses
- Create professional presentations with online software: pro-presenter, final cut pro
- Meet monthly and weekly with staff and senior staff on creating elements for weekend services

Worship Pastor | Crossroads Church | Fremont, CA | July 2008 – February 2017

As the worship pastor, my primary role was. Create an atmosphere using creative elements: music, lights, haze, and stage designs. Creating a high impact experience with excellence and beauty. Pastor shepherd and mentor teams. Personally, recruit more musicians and team members for lights, sound, and tech. Lead the church through corporate worship through songs and creative elements. Helped bring a spectator church from a performance mindset to a thriving, engaging worshipping culture to engage more with God. I have developed other worship leaders within the team.

- Increased membership from 300 to over 1,000 helping to launch a satellite campus
- Shepherd and pastored teams
- Brought music from an amateur to professional level
- Vision caster to always continue to grow
- Pastored, shepherded and mentored teams
- Scheduled monthly: music, tech, light and sound teams
- Developed, mentored and trained and equipped other people within teams
- Professional management skills
- Professional in conflict resolution
- Helped, overseeing and hiring of new leader for new satellite campus
- Over-seeing: music, computer, sound and light teams
- Created beautiful thematic professional stage designs
- Counseled people
- Created professional presentations with online software: power point, pro presenter, final cut pro
- Worked with multiple vendors for events
- Led music and oversaw band members for weekend services and special events
- Met monthly and weekly with staff and senior staff on creating elements for weekend services

Worship Intern | Calvary Chapel | Fort Lauderdale, FL | August 2006 - January 2007

As the worship intern, my primary responsibility was to serve the worship ministry in any aspect. Set up and tear down for venues and community events.

- Ran production booths and marketed products for events
- Created and re-created professional music charts for band members
- Led music and conducted band members for music venues
- Coordinated teams for events
- Set up and broke down booths for special events and weekend events
