RELATED EXPERIENCE

ADMINISTRATIVE - served on multiple-staff teams for fifteen years; oversaw volunteer ministries from recruiting to implementing

COMMUNICATION - taught/preached on regular basis for all ages; oversaw print publications; possess excellent writing and public speaking skills

CREATIVITY - developed and implemented ideas to reach all generations; event coordinator

DRAMA - experience both as a performer and director; taught speech communications at the college level; wrote, performed and directed multiple short pieces for ministry as needed

DISCIPLESHIP - directly involved in the discipleship program of our church; led parenting studies; mobilized families to be on mission together; frequently taught on principles of worship

FINANCIAL - oversaw an annual ministry budget; created and oversaw fundraisers in multiple formats; coordinated promotion and publicity for two different million dollar building campaigns

MISSIONS - educated children and adults about world-wide missions; regularly led international missions trips; served in the Dominican Republic for three months (2007) with my wife working with youth and worship training

MUSIC - experience in performance choirs and handbell choirs; worked on a weekly basis with a full blended and contemporary worship bands consisting of vocals, guitars and percussion as well as full media projection and choir

TECHNOLOGY - excellent skills in all Office365 programs; experience with Photoshop and Premiere; used Aviom personal monitoring systems on stage along with a Yamaha LS9-32 digital mixing board; experience with Planning Center and MediaShout
